

'It's like finding 1 - 2 appointments a month from doing nothing but my daily admin.'

Do you feel like you send 100 emails a day? What if those emails could also generate you new leads?

At Share This Video we are always looking for ways to get you more appointments.

Introducing the Super Signature.

It's about letting people you deal with on a daily basis get a taste of some of the different things you do. Small hooks that get them to bite.

Here is an example of what a super signature looks like

When you are ready, here are 3 ways I can help you.

1. Were you just placed in a KiwiSaver fund? Without the right placement you could be missing out - [Watch this](#) to learn more.
2. When was the last time you reviewed your house, contents & car policies? Did you know if you bundle them together you could be saving money? See exactly how [here](#).
3. Are you self employed and paying ACC? Many clients I have spoken to are paying too much and did not know they could lower the levy they pay. [See how I go about it here](#).

It is as simple as copying this signature, making any tweaks you like and linking your videos from Share-This.Video.

Now every email you send is educating people on the different services you offer. KiwiSaver, Fire & General and ACC are great hooks to start a conversation that goes much further.

Give it a go and see it work.
